Help A Child Enjoy The Holiday

With your help, we've collected more than 3,000 stuffed animals over the years for needy children, and we're at it again this year!

Feel free to drop off any *new* stuffed animals to be donated. Or, if you wish, purchase a bear to donate while you're shopping here at the Dixboro General Store, and we'll take 50% off its price!

Meet Me Under The Mistletoe

We found a great way to bring the sight and smell of a true holiday tradition into your home this year: **Real Mistletoe!** But, have you ever wondered why mistletoe has become such a symbol of the holidays?

From the earliest times, mistletoe has been one of the most magical, mysterious, and sacred plants of European folklore. Long considered to bestow life and fertility,

kissing under mistletoe was first associated with the Greek festival of *Saturnalia* and later, used in primitive marriages.

At Christmas time a young lady standing under a ball of mistletoe, brightly trimmed with evergreens, ribbons, and ornaments, cannot refuse to be kissed. Such a kiss could mean deep romance or lasting friendship and goodwill. If the girl remained unknissed, she can expect not to marry the following year.

Steeped in American history, the tradition of **Colonial Candle's Bayberry Tapers** began centuries ago. Bayberry candles have long been given as gifts of prosperity and friendship. Their gentle aroma and sage green appearance make for a festive look on any Christmas dinner table. Historically signifying good wishes for the new year, there is a poem included that has been passed down through generations: "To bring good luck for a year, you must burn a bayberry candle on Christmas day. If the flame burns bright and the light shines clear, then heaven will bless you for all the year."

Festive bulbs are a great way to bring flowers into your home during winter time! Each of our bulb gardens includes a decorative colored glass vase that will fit any room or decor. Just add water and watch your bulb bloom! Choose from Amaryllis, Hyacinth, Paperwhite and Crocus.
