New Kringle Candle!

Late last year, on "The Today Show" in the "Kathie Lee and Hoda's Favorite Things" segment, Kathie Lee praised a new brand of beautiful and fragrant candles: **Kringle Candle**.

We spent the next few months tracking down the company, finally caught up to them at a gift show, and are now *thrilled* to be able to debut this wonderful candle line during our Holiday Open House!

The most amazing part of **Kringle Candles** is that all of their beautiful candles are **white**. With scents like *Peppermint Twist*, *Hot*

Chocolate, and *Christmas Stroll*, it doesn't matter which fragrance you select, because each of these carefully crafted candles are an ideal color match for any room! There's one more bright idea to know too: 100% dye free **Kringle Candles** yield the most possible light! But best of all, each **Kringle Candle** will fill your home with lush, long lasting fragrances. And isn't that what you want most from a scented candle?

Back To Our Roots!

After a long absence, we are happy to once again have found some beautiful artificial **Alpine Trees!**

Alpine trees grow tall and narrow as they stretch high in the Swiss Alps. It's this unique trait that allows

them to be placed in any area of your home. Perfect for the floor or a table, these Alpine

Christmas Trees add a sparkling holiday touch

anywhere, instantly.

Available in 4', 5', 6' & 7' heights, you can easily stand them alone, or in a small grouping.

Wednesday features *Mark Kimball Moulton & Karen Good!*

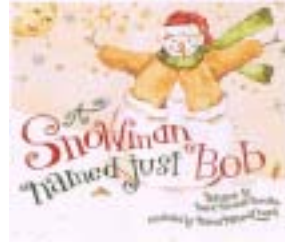

We are absolutely thrilled to announce the return of Author **Mark Kimball Moulton** and Illustrator **Karen Good!** They will be making another magical appearance at Dixboro, signing their books and other artwork, while sharing their stories, on **Wednesday, November 9th** (from 11-2 & 4-7).

Mark has a unique ability to create a story from his heart and turn it into a family book that is enjoyed by young and old alike. Karen, who illustrates most of Mark's books, has the remarkable talent to put his stories into colorful drawings that dance on the pages. Together, Mark and Karen create nothing short of **magic**.

In addition to all of Mark's books (including the tremendously successful *Snowman* trio), we'll also debut Mark's newest book *Thanksgiving Graces*, and have a great selection of Mark's artwork in print, as well as a number of *original* paintings from Karen's collection!

Mark's warm personality and Karen's contagious smile, will make this an experience you won't forget! This is going to be a *fun* day!

American Made Quilted Handbags!

If you've visited Dixboro this past summer, you've noticed a new addition to the store: *Stephanie Dawn's quilted handbags*.

Made of quality cotton, this great line of handbags, travel gear and accessories, is bold, stylish and functional.

Stephanie Dawn was created after another handbag line moved it's Ohio operation overseas and left behind an empty building and willing employees. This family owned business has taken cues from fashionable color trends and blended them

into sophisticated patterns. Many of their designers and crafters have 27 years of experience making high quality handcrafted bags **in the USA**.

The response to these bags has been so positive, we've expanded our selection for the holidays! There's sure to be at least one that suits your needs, and another that will make a perfect gift for someone you love!
